REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Springfield Elementary presently serves about 550 students with 40 instructional staff in addition to the administrative team and support staff. Due to the commitment of the teachers, staff, and parents Springfield once again earned a Palmetto Gold Award for meeting AYP in 2010.

Like many other schools, Springfield was affected by the economy and budget cuts. There were furlough days, cuts in staff, and larger class sizes. However, everyone worked to ensure that our students continued to receive a quality instructional program.

With Springfield's desire to continuously grow as a learning community, the staff was regularly involved in professional development opportunities. Teachers used a wide variety of instructional approaches, and students participated in field trips and heard guest speakers. Special activities and projects also enhanced the curriculum. A variety of extracurricular activities continued to be offered which provided an opportunity for students to explore skills and abilities outside the academic arena.

Character education continued to be a focus. Students in grades 4 and 5 participated in sensitivity training; and all students were engaged in stations during Career Day and Field Day to promote empathy for those with disabilities. In addition, parent meetings on cyber bullying and internet safety were also held.

The PTA, community, and parents – as well as district and school staff – helped the school raise awareness about fitness and nutrition by sponsoring a family fitness night and hosting a special play about nutrition.

As we move forward, the school and community remain committed to the success of all students served at Springfield Elementary.
